NWood sposa la bellezza del parquet tradizionale con le performance del gres porcellanato. Realizzato con la tecnologia Digitale HD Inkjet (grafica 48+), che consente di ricreare nella materia ceramica le venature del legno alla perfezione, è articolata in quattro diverse tonalità per ricoprire ogni tipo di ambiente e creare molteplici atmosfere.

Il nuovo formato 20x120 amplia la gamma di possibilità geometriche che animano lo spazio. Ideale per vestire l'intera casa. Dal Bagno alla Cucina dal Living alla zona notte.

NWood combines the uniqueness of the traditional parquet with the performance of the porcelain gres. It is realized with the digital technology HD Inkjet (48+), which allows us to recreate perfect wood grains in the ceramic material. It is articulated in four different shades to cover every location and create many atmospheres. The new size of NWood 20X120 expands the range of the geometric possibilities that animate the space.

Perfect to dress each part of the house: from the bathroom to the kitchen, from the livingroom to the bedroom.
